ORIGINAL

Federal Communications Commission
Office of the Secretary

THE CELL PHONE COMPANIES HAVE TAKEN ADVANTAGE OF THE PUBLIC FOR FAR TOO LONG!

WE LIVE IN A NEW WORLD & NOT HAVING THE ABILITY TO KEEP YOUR PHONE # WHEN SWITCHING CELL PHONE COMPANIES IS LUDICROUS. THEIR COMPLAINT ABOUT THE EXPENSE OF MAINTAINING #'S IS CRAP & EVERYONE KNOWS IT. PLS DO NOT PERPETUATE THIS BOND THAT THESE COMPANIES HOOLD OVER US. PORTABILITY SHOULD BE A GIVEN & THE CELL PROVIDERS SHOULD GROW UP & FIGHT FOR THE BUSINESS BASED ON SERVICE, FEATURES & PRICE. THIS IS SUPPOSED TO BE THE COUNTRY OF "OPEN MARKETS" IF IT IS, THEN FORCE THEM TO ACT LIKE TRUE CAPITALISTS-----NOT IN AN OLIGARCHIAL MANNER THAT ONLY HURTS ALL OF US AS CONSUMERS.

ADDITIONALLY, WE SOULD NOT HAVE TO PAY FOR INCOMING CALLS, EITHER. THEY ARE IN DISBELIEF IN ENGLAND THAT WE PAY FOR RECEIVING A CALL.

PLS STOP THIS CORPORATE ARROGANCE WHEN THE OPPURTUNITY ARISES AGAIN IN NOVEMBER. PROTECT THR VERY REASONABLE RIGHTS OF ALL CONSUMERS. THIS IS NOT A POLITICAL ISSUE AT ALL. PLS PUT PEOPLE BEFORE THIS GREED. IF THE PROVIDERS DID A BETTER JOB, THE DESIRE FOR CHANGE WOULD CERTAINLY DECREASE.

THANK YOU,

FRED NOVIN
